

MRFC DOG POLICY

Morpeth Rugby Club recognises that with open space and available parking, the environment for which it is responsible is attractive to dog walkers.

With young children and adults regularly using pitches it is expected that dogs are not permitted onto the playing surfaces. The health risks of not observing this can be significant.

Dogs should be kept on a lead at all times to ensure that any fouling can be observed, cleaned up and disposed of correctly.

Public Space Protection Orders have recently been imposed by local authorities placing a wide range of restrictions on dog walkers exercising pets in public open spaces. Please do not risk substantial fines by letting dogs off leads.

Thank you.
